

Omid Kashani

Front-end Developer/ Web Designer

Tehran

omid.kashani10@gmail.com

+98 935 830 8872

As a seasoned front-end developer with over 8 years of experience, I specialize in WordPress, HTML, CSS, SASS, and other CSS frameworks such as Tailwind and Bootstrap. I have collaborated with numerous talented teams to create custom website designs that provide effective solutions for businesses. Additionally, I possess expertise in JavaScript and its frameworks, including jQuery, and basic knowledge of React. My enthusiasm for learning and passion for teamwork make me an ideal candidate for taking on new challenges and expanding my knowledge in new positions.
